December 2016

We kicked off our Annual Giving Campaign in November, and we are off to an excellent start. In an effort to meet our commitment to our students, each year we are challenged to fill the gap between funds raised through tuition and expenses incurred. The average cost between tuition and operating expense is \$1,000. Our Annual Giving Campaign is a major capital endeavor that allows us to address this financial responsibility. As we seek to continue to enhance the educational excellence at St. Frederick, we have set a school goal of raising \$30,000 through this year's Annual Giving Campaign. We hope you will earnestly consider participating in this year's campaign.

With your help, St. Frederick will continue to excel in academics and extracurricular activities in a safe and family-oriented environment. We continually strive to update and maintain technology in the classroom so that we prepare our students to excel academically,

and achieve high ACT scores. With the funds from this campaign, we hope to revitalize and maintain the upkeep of our 52-year-old facility.

We need your help. Please join the Board of Directors, the faculty and staff and parents of St. Frederick High School by giving a gift to support the education of our students. This is a gift that will last a lifetime. Any contribution amount is welcomed and tax deductible. Please return the reply form with your donation or go online to www.stfrederickhigh.org/Contribute to pay with credit, debit or Paypal. Your donation will be acknowledged.

Sincerely,

Dr. Robert Webber, Principal
